

Australian Vegan baby skincare brand wins 9 awards

From the high number of elite Global baby brands submitted to the recent Bambini Baby Awards 2021, one brand has captured the attention of an expert panel of judges as this year's Best Must-have's for New Mums, that brand is **P'URE Papayacare by G&M Cosmetics**. The Bambini Baby Awards celebrates the best of launches for skincare and wellbeing products for babies, toddlers and of course new mums. The products are vigorously tested by a panel so new parents know exactly what to buy for their new little ones.

The 100% Australian Made and Owned company, G&M Cosmetics developed a complete baby skincare treatment that is Vegan Registered, Certified Natural and most importantly safe for the entire family. P'URE Papayacare Range is made using natural Papaya fruit which is rich in unique enzymes to gently cleanse, nourish & hydrate delicate skin. The range is enriched with Calendula flower which is traditionally used for its healing & soothing properties. P'URE Papayacare source only the finest natural ingredients including their signature sustainable Papaya whole fruit, made using the flesh, skin & seeds.
